### T2 with 29.7m<sup>2</sup> balcony, 4th floor Development Central Park Matosinhos

2 bedroom apartment with 29.7m<sup>2</sup> balcony on the 4th floor with east/north solar orientation, with a total gross area of 111.8, with parking space inserted in a new development that will be born in the heart of Matosinhos!

CENTRAL PARK is the real estate project that was missing in Matosinhos, a symbol of sophistication.

CENTRAL PARK is an innovative development that redefines modern life in Matosinhos with 102 units spread over 6 floors. Every detail has been designed to offer comfort and a sophisticated living experience.

Located in the city center, it combines urban convenience with the tranquility of a privileged location. Just minutes from all the amenities that Matosinhos has to offer, this is the perfect place for those looking for an active and dynamic lifestyle.

With sublime design and intelligent architectural solutions, this development provides an investment that combines aesthetics and functionality. Large internal areas and generous balconies offer a harmonious connection with the external environment.

With an excellent urban infrastructure, Matosinhos has a wide range of services, including schools, health centers, pharmacies, supermarkets, restaurants and shopping centers. Furthermore, the city is known for its beaches, parks and green spaces, providing a healthy and active lifestyle.

## LIVING IN MATOSINHOS

Matosinhos is a vibrant city that combines the best of urban life with the tranquility and charm of a coastal community. Located in the Porto Metropolitan Area, Matosinhos offers a unique quality of life, becoming an increasingly sought after destination for families, young professionals and investors. Living in Matosinhos means living in a privileged location where quality of life is guaranteed. Furthermore, it is an area with enormous potential for appreciation due to growing urban development and real estate appreciation.

NOTE: Parking spaces for T1 | R\$10,000– R\$15,000
